The best sounds for your clientele

## **Presenting: ED**

Have you ever wanted your own music system ... one that plays the music you choose at the time you choose and plays your own commercials.

In other words, a totally customizable DJ that will play for as many hours as you choose, on the days that you choose, with the music that you choose.

*NOW YOU CAN!*

With ED ... the Entertainment Director

ED is the 21st century answer to personalized music that is played at your establishment.

This is the DJ that needs no coffee breaks.

ED will play the music of your choice for as long as you decide.

---

If music is an essential part of your customer attraction ...

you need ED!

---

What does ED do for you?

Think of ED as your personal "Radio Station". Professionally installed and maintained, ED comes with a dazzling selection of music. You choose what tracks to play, you schedule the time you want tracks played, and you can even play your own commercials.

**YOU are in charge of what your clientele hears!**

Music—the way it should be played!

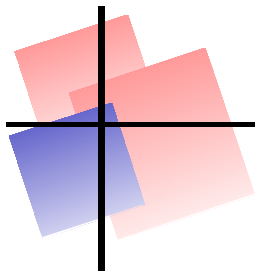

You are not dependent on any external streaming; everything you need is contained in one modern unit located on your premises, and under your control.

With the scheduler set up, ED will begin playing at the time you choose.

What else can ED do for you?

ED can be enhanced with optional modules:

- Jukebox
- Karaoke
- Games and entertainment
- Remote DJ monitoring
